**ATHENA IS YOUR BRIDGE**

**TO EUROPEANA**

**ONLY THOSE WHO**

**SHOW THEMSELVES**

**WILL BE SEEN**

**PARTNERS**

## OBJECTIVES

**ATHENA** is a project which contributes to provide content to Europeana  
**ATHENA** supports and encourages the participation of museums and other institutions coming from those sectors of cultural heritage not fully involved yet in Europeana;

- It coordinates standards and activities of museums across Europe
- It identifies digital content present in European museums
- It contributes to the integration of the different sectors of cultural heritage, in cooperation with other projects more directly focused on libraries and archives
- It develops technical tools to be integrated within Europeana, to facilitate the access to digital contents belonging to European museums

## WORKING GROUPS

- Identifying standards and developing recommendations
- Integration of existing data structure into Europeana
- Coordination of contents
- Analysis of IPR issues and definition of possible solutions
- Development of plug-ins to be integrated within Europeana
- Awareness and dissemination: enlarging the network and promoting the service

## ACTIVITIES

**ATHENA** acts with the support of a network of experts

**ATHENA** members coordinate their activities and reports about the development on plenary meetings

**ATHENA** disseminates results of its work, guidelines and the information on tools developed through conferences and publications

**ATHENA** invites museums from all over Europe to provide their information to Europeana with the support of the project's network.
